

MORNING TRAFFIC PATTERN

- Please **no left turns** between 7:10 and 7:35am.
- Please do not pass school to make U-turn at McCaskill. Suggested alternate routes include taking Hwy 22 to McCaskill, or taking Shady Grove to Farm Life School Road.
- Please do not park on the shoulder of the road.
- Please do not park in the green wooded areas in front of the school.
- Please do not pull into the front parking lot behind the buses.

This may be an inconvenience for some, but we encourage you to follow this traffic pattern to ensure the safety and security of our students and community members in the area. We must ensure that we do not block roads for emergency vehicles.

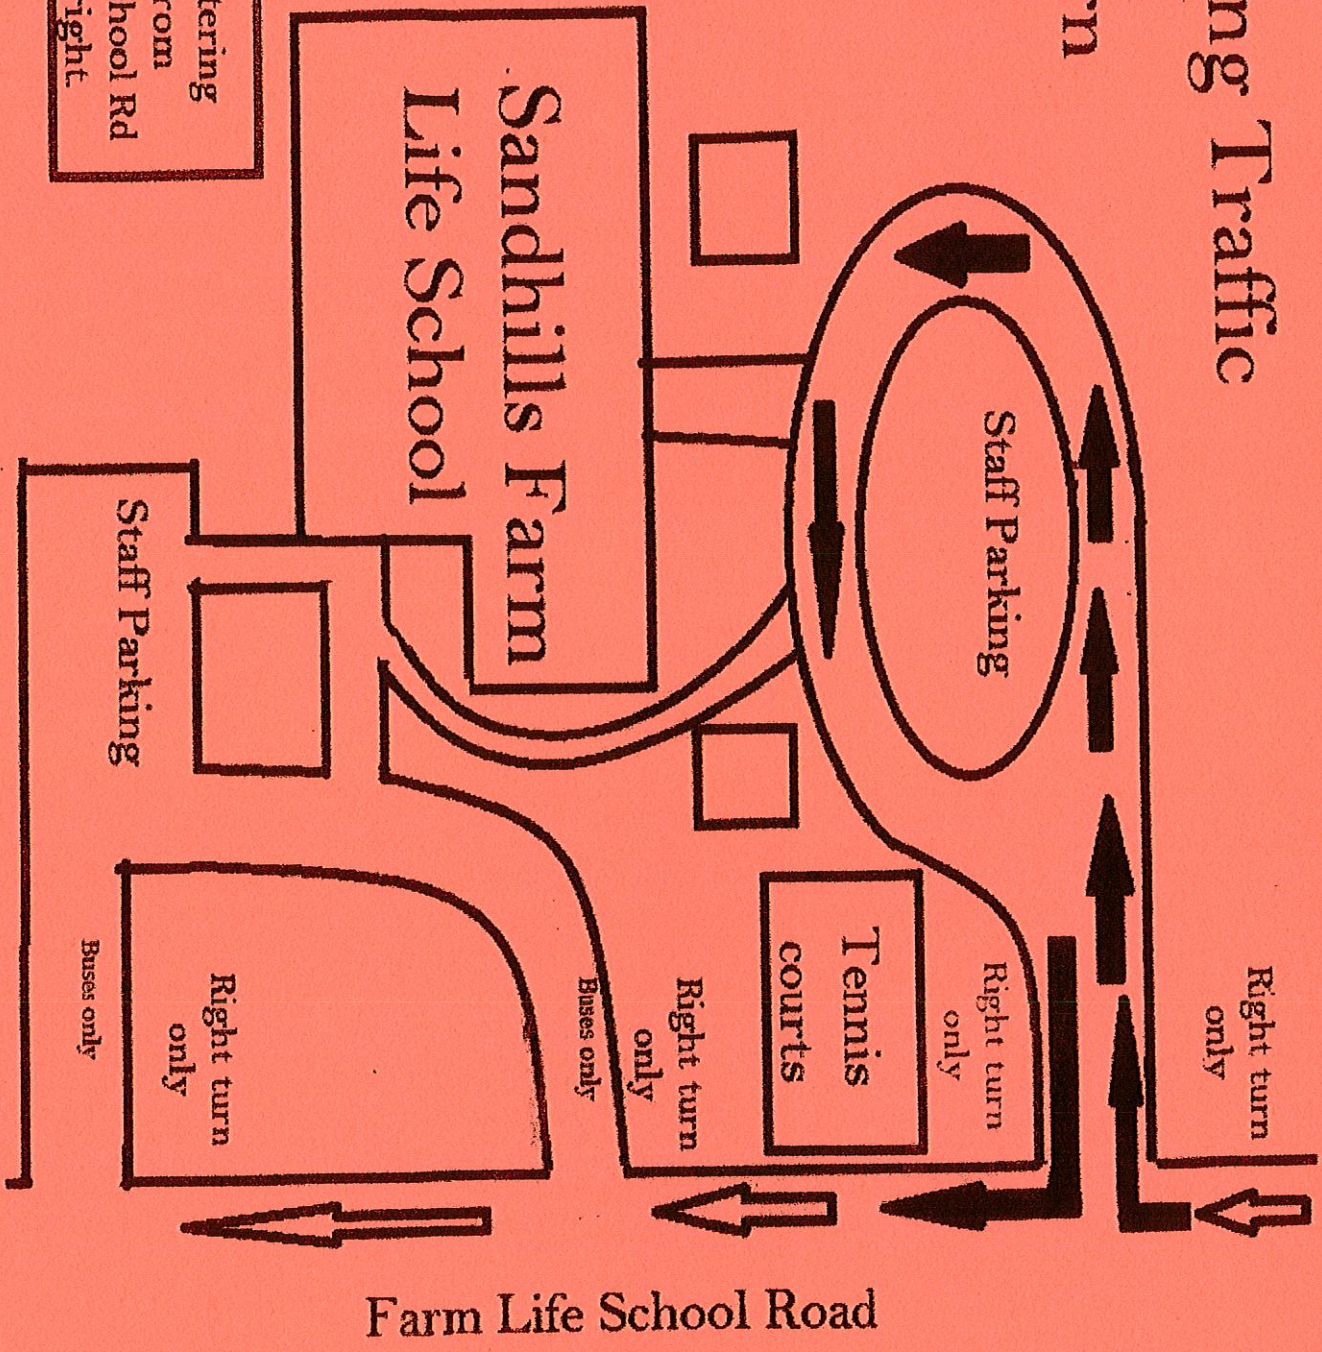

As all vehicles will be turning right into the lot, they will be able to continuously flow into the 2 traffic lanes, allowing for a more efficient drop off.

Eureka Church graciously allows us to use their parking spaces for those who prefer to park and walk to school.

AFTERNOON TRAFFIC PATTERN

- Please no left turns.
- Please support Student Resource Officer Lynn and follow his instructions for traffic flow.
